(TRANSLATION)

A FEW SECONDS LATER, THE FIRST SHOT EXPLODED. IT WAS FIRED FROM THE 5th FLOOR OF A BUILDING SERVING AS A WAREHOUSE FOR SCHOOL BOOKS. THE SPEED OF THE ASSASSINATION... WAS SO FAST THAT FOR SEVERAL DAYS ONE WAS AT A LOSS TO FIGURE OUT IF ONE MAN ALONE COULD HAVE FIRED THREE BULLETS IN SUCH A SHORT TIME. IT is KNOWN TODAY THAT FOR THE FIRST SHOT THE GUNMAN FOR A LONG TIME HAD KENNEDY FACING HIS SCOPE-SIGHT BEFORE FIRING HIS SHOT, AND THEN, TURNING HIS GUN 120 DEGREES, HE FIRED THE OTHER TWO BULLETS WHEN HE HAD A BACK VIEW OF THE VEHICLE,

re Mannlicher-Beretta

There is no such gun as a Mannlicher-Beretta. The Mannlicher-Carcano was manufactured in Terni, Italy, where Beretta has its factory; that may be the source of the writer's error.
